

13th SifrARN

*Structure
Integration
Function &
Reactivity
of RNA*

Lyon

November 18-20, 2024

Amphithéâtre Mérieux,
Ecole Normale Supérieure de Lyon

RNA maturation and epitranscriptomics

Martin Dutertre, Yuri Motorin, Carine Tisné

Translational control and mechanisms

Sébastien Durand, Stefania Millevoi

Ribosome biogenesis and structure

Reynald Gillet, Anthony Henras

RNA transport and decay

Florence Besse, Hervé Le Hir

Non-coding RNAs and regulatory RNAs

Karina Jouravleva, Martine Simonelig

Role of RNA in non-infectious diseases

Sébastien Campagne, Fabrice Lejeune

RNA at the heart of host-pathogen interactions

Yoann Augagneur, Magali Frugier

Diagnostic, vaccinal and therapeutic RNA

Aurélie Goyenvalle, Chantal Pichon

Keynote speakers

Maria Carmo-Fonseca

President of the RNA Society
President of the Institute of
Molecular Medicine
Lisbon, Portugal

Matthias Hentze

Director of EMBL
Co-Director of Molecular
Medicine Partnership Unit
Heidelberg, Germany
